DISCUSSION

Applicants submit that these documents, whether taken alone or in combination with others previously of record, fails to show or suggest the claimed subject matter. Applicants request that the Examiner consider the entirety of the documents and make them of record in this application. Applicants' submission of these documents for consideration is not to be construed as an admission that the documents qualify as prior art to the claimed subject matter, a representation that a search has been made, nor as an admission that the information is considered to be material to patentability.
